A NEW BIBLE STUDY BEGINS TODAY!

**Joshua - led by Pastor Brown
Sunday, 9:15 a.m. in Trinity C**

A cursory glance at Joshua might tempt readers to conclude that this book is nothing more than a chronicle of the Israelite people. Although this sixth book of the Bible does provide us with significant historic detail spanning some 30 years, it is more than just another history book.

Tucked away in Joshua's pages, we find numerous examples of God's grace. God fulfills His promise of land given centuries before to Abraham and He points us to the promise of Jesus and our salvation through Him.
